## <h2>About Me</h2>

<p>

I am a first-year B.Tech student specializing in CSE (AI & ML) at KIET Group Of Institutions. I enjoy coding, learning web development, exploring AI concepts, and building creative projects. My hobbies include reading tech blogs, playing chess, playing badminton and experimenting with new tools. My goal is to become a skilled Software engineer and contribute to innovative solutions.

I am constantly improving my basics in programming and web development through hands-on practice. I enjoy learning new technologies, working on small projects, and understanding how real-world systems work. I aim to grow as a developer and create meaningful tech solutions in the future.
